WHITE/BROWN GOODS PICKUP PROGRAM

The City of Wahpeton currently has a white/brown goods pickup program available. If you have a white/brown good that you need to recycle, but you have no way to take it to the Yard Waste area, stop at City Hall during normal office hours (8 am– 4 pm Monday—Friday) and purchase a sticker to put on your recyclable. This sticker will cost you between $8.00—$35.00 per item depending on the type. At that time we will determine a date and time the City can pick it up.

White Goods— Home appliances such as stoves, air conditioners, water heaters, dryers, deep freezers, microwaves, etc. *(Doors must be removed from all refrigerators and freezers)*
Disposal fee for all items is $12 each.

Electronic Waste—
Electronic waste (E-waste) are items such as televisions, computers, radios, stereo systems and space heaters.

Fee for E-Waste disposal is:
—If screen is broken there is a $20 extra charge—

TVs (flat screens)	$20.00
TVs (up to 19 inch screen)	$15.00
TVs (20" to 27" screen)	$20.00
TVs (28" to 40" screen)	$25.00
TVs (41" and up)	$30.00
Computer Monitors	$15.00
Computer Systems (no monitor)	$ 8.00
Stereos, VCRs, copiers, fax machines, printers, etc.	$ 8.00
Per pound charge	.40

Information on Recycling Yard Waste Garbage Pickup Household Hazardous Materials

RECYCLING

Recycling is good for the environment because less trash goes into the landfill and all recycled items are then reused. Here in Wahpeton for your convenience we have 2 large recycling containers located by the tennis courts (Danny Ave. and West St.) where you may bring your recycling items anytime.

Recycling is easy. Simply separate cardboard from all other items. Cardboard includes pop cartons, cereal boxes and Kleenex boxes. We can now co-mingle all other items such as: plastics with the recycling code 1, 2, or 3, glass food containers only; tin food containers only; white paper such as typing or computer paper; newspapers of any type and magazines or catalogs. Simply put your items in the correct recycling bins.

The following **CAN NOT** be recycled: Styrofoam, bleach bottles, anti-freeze or oil containers, plastic grocery sacks (but remember you can take them back to the store that you got them from) window glass, light bulbs or ceramics.

In Wahpeton, Town & Country Disposal of Rock Rapids collects the recycling and all items are brought to Schaaps in Worthington, MN. Where it is sorted and processed.

Thank you for taking the time to recycle!

GARBAGE

Wahpeton's garbage is picked up by Town & Country Disposal of Rock Rapids and dumped at the Dickinson County Landfill east of Arnolds Park. The landfill has the last say in what can be put out as garbage and what carries an additional charge.

The City does not require special garbage bags but would like you to continue to use some type of bag when you put garbage in the large blue containers.

Garbage pickup days are Tuesdays & Saturdays, May through September and Tuesdays only October through April. Carts are owned by Town & Country and should remain with the property if sold. Carts damaged thru neglect by property owner will be replaced by resident. There is no limit on the number of bags you can use, however they should all fit into the new garbage carts with the lid closed. Larger items that do not fit should be broken down and placed in the container if at all possible. Extra cart fees of $15.00/month could be imposed. The rule to follow for larger items is that it has to be able to be picked up by one person and that it will fit into the truck. Town & Country **DOES NOT PICKUP** white goods (appliances) or brown goods (electronics) for which there is a fee. Additionally, they do not pickup yard waste, construction materials or hazardous waste such as paints, batteries, pesticides, tires or oil & oil filters.

The City would like to encourage residents to put their garbage out the night before. Carts should be placed at the curbside with wheels toward your home. Carts need to be 3-5 feet from any other obstacle (trees, cars, mail boxes, poles, other carts). Your cart must be able to hold all of your garbage with the lid closed to prevent animals from ripping into the sacks and strewing trash everywhere which helps keep our beautiful community clean.

YARD WASTE

Wahpeton is a member of the Dickinson County Landfill Commission and as such residents should use the Yard Waste Site located a mile east of the intersection of 13th Street and Highway 71 in Milford (go east at the light on the Catholic church corner) on the north side of County A34.

Nov. 16-April 14 The site is open Mon., Wed. & Fridays 9 am-4pm.

April 15-Nov. 15 Hours are Mon., Wed. & Fridays 9 am-4 pm. Tues. & Thur. from 11 am to 7 pm and no Saturdays.

They take trees and tree trimmings, brush, grass clippings, garden waste and leaves.

No Contaminated Waste or Construction Debris

Disposal fees are:

Bagged -	50 cents per bag ($1 minimum)
Small Trailer –1 axle	$10.00
Pickup -	$10.00
Single Axle Truck -	$20.00
Double Axle Truck -	$30.00
Roll Off –Garbage Truck	$40.00

The Recycling Center has available, free of charge, wood chips and compost. Wood chips are beneficial for planting and care of trees & bushes by inhibiting weed growth and conserving moisture. Compost is beneficial to enhance soil fertility and lessen soil compaction.
Call to check on availability.
