

Application and Permit to Install Private Irrigation System

_____, hereby makes application
to install a private Irrigation System at (address): _____.

A 3/4" or 1" water meter and backflow prevention device will be installed after the domestic water supply meter. Inspection of water supply connection and back flow prevention device will be required by the City of Wahpeton staff after installation.

Applicant agrees to comply with the terms of the ordinances and regulations relating hereto. Further, as a consideration of securing said water, agrees to pay to the City of Wahpeton the water rates and any other amounts required by Ordinance or regulation and agrees that any amount that may become due and delinquent (including all penalties thereon) may be returned by the City of Wahpeton as taxes and that said property be liable for payment of same.
